PURPOSE

To recognize and reward outstanding interior design and to encourage new ideas in the design of interior elements and spaces.

ENTRY REQUIREMENTS

This program is open to any IIDA Wisconsin student member. Non-IIDA student members can submit this year by joining IIDA through the on-line application process found at www.iida.org and clicking the membership tab. There is no limit on the number of design submissions. Each project may only be submitted in one category. Projects that have received publicity or non-IIDA awards are eligible.

JUDGING CRITERIA

Submissions will be judged for the appropriateness of the design solution and the successful integration of the elements of design. Winners are determined by a jury of design professionals. A first place and an award of excellence will be given in each category, given the projects meet all criteria and the jury feels they are of appropriate design and caliber for an award.

EVALUATION CRITERIA

- Use, creation and integration of design
- Unique use of materials, colors, lighting and furnishings
- Project statement clarity and alignment to design solution as described

AWARDS

Winners of the competition will be announced in advance and presented at IIDA Wisconsin's Celebrate In Design event on Thursday, May 8th, 2013. Two awards will be given in each category: \$1000.00 for First Place and \$575.00 for Award of Excellence. One Best of Competition award will also be given; this student will be awarded a \$1575 scholarship. The winning projects will also be published in the IIDA Wisconsin Chapter Newsletter. By making a submission, each entrant certifies that permission has been obtained from the photographer(s) to publish the photographs and images submitted.
